

GROUP

Full names:

OBJECTIVE:

In small groups think of five questions to ask an astronaut.

INSTRUCTIONS:

- Brainstorm group ideas in English & Italian.
- Decide on 5 final questions (be creative and think outside the box: ask, what are you most curious about?)
- Form the questions in English and write them in order of preference.

The groups will share their questions and then a vote will be held to decide which get shortlisted!

RESOURCES:

Use the topics below to help you think of ideas for questions.
